THE SOLUTION TO A GROWING WORKLOAD

Great for home acreage, grounds maintenance or commercial landscaping, the CT230 has the power for heavy-duty loading, tilling or working with a box blade. It's strong enough for your biggest jobs, but small enough to work in tight areas.

OUTSTANDING PERFORMANCE. SMOOTH STYLING. SUPERIOR COMFORT AND VISIBILITY.

Bobcat is well-known for designing a machine with unmatched performance, operator comfort and durability. The new compact tractor line also delivers a fit and finish you can only find with the Bobcat brand.

- Standard 4WD for working in tough conditions
- Premium three-point hitch design for easy implement changes
- Hydrostatic transmission with 3 travel speed ranges for easy operation
- Sleek hood and side panels are made of tough, durable steel, not plastic, and provide great visibility
- Exclusive Bobcat suspension seat for extended comfort
- Fully retractable seat belt within easy reach

The Bobcat CT230: power, performance and comfort for your toughest work.

NOTE - Where applicable, dimensions are in accordance with Society of Automotive Engineers (SAE), American Society of Agricultural and Biological Engineers (ASABE) and ISO standards. Specifications and design are subject to change without notice. Pictures of Bobcat compact tractors may show other than standard equipment. All dimensions are shown in inches. Respective metric dimensions are enclosed by parentheses. Bobcat Company complies with the requirements of ISO 9001 as registered with BSI.
