More Power to You

The CT235 is a great machine for home acreage, grounds maintenance or commercial landscaping—just like the CT230. The CT235 comes with a powerful 35 horsepower engine. That extra muscle comes in handy for tough terrain and heavy-duty attachment operation. It makes tough jobs easier, but it's maneuverable in tight areas.

Outstanding performance. Smooth styling.

Superior comfort and visibility.

Bobcat is well-known for designing a machine with unmatched performance, operator comfort and durability. The new compact tractor line also delivers a fit and finish you can only find with the Bobcat brand.

- Standard 4WD for working in tough conditions
- Premium 3-point hitch design for easy implement changes
- Hydrostatic transmission with three travel speed ranges for easy operation
- Sleek hood and side panels are made of tough, durable steel, not plastic, and provide great visibility
- Exclusive Bobcat suspension seat for extended comfort
- Fully retractable seat belt within easy reach

The Bobcat CT235: More power and performance for hard jobs; superb comfort for you.

NOTE - Where applicable, dimensions are in accordance with Society of Automotive Engineers (SAE) and ISO standards. Specifications and design are subject to change without notice. Pictures of Bobcat units may show other than standard equipment. All dimensions are given for loader equipped with standard tires. All dimensions are shown in inches. Respective metric dimensions are enclosed by parentheses. Bobcat Company complies with the requirements of ISO 9001 as registered with BSI.

Easy Maintenance

Bobcat Implements:

- Angle Blade
- Box Blade
